

Subscription Instructions

2008-2009

How to Subscribe

Create your own series package by choosing the events you want to see. Subscription packages begin with a minimum of three events. Subscribers to all 9 events save the most. The more events you select, the more you save!

Current subscribers who wish to retain their seats from last season must subscribe to five events or more and submit their subscription orders by **Friday, November 21**. If you subscribe to five events (or more) you have two seating options: (1) you may choose to sit in the same seats for the entire season or (2) you may choose to sit in the best seats available for each show you've selected. If you subscribe to four events or fewer, you will be assigned the best seats available for each show you've selected.

New subscribers to five events or more have two seating options: (1) you may choose to sit in the same seats for the entire season or (2) you may choose to sit in the best seats available for each show you've selected. New subscribers to four events or fewer will be assigned the best seats available for each show you've selected.

Current subscription orders requesting seat upgrades and new subscription orders are processed in the order they are received. Subscribers who wish to sit together must complete separate order forms and submit them at the same time. On both order forms, note your request to sit together.

Priority Seating Renewal

Season subscriptions are given priority processing. The current subscriber priority date is Friday, November 21. All events will go on sale to the general public on Monday, Dec. 1

Convenient Payment Options

We offer two convenient payment options to make the University Arts Series more affordable.

FULL PAYMENT: You pay for the entire series when you place your order. We accept payment by cash, check (made payable to WVU), Visa, and MasterCard.

PAYROLL DEDUCTION: WVU faculty and staff, and WVU Foundation employees may use payroll deduction to pay for their series subscription. (WVUH and UHA employees are not eligible.) The deadline to sign up for payroll deduction is November 21. Payroll deduction will begin with the December 16th paycheck and will be deducted from six consecutive paychecks.

Patrons with Accessibility Needs

The needs of our patrons with mobility challenges are accommodated through special seating assignments. Hearing amplification is offered free of charge through infrared headsets. If you need a sign language interpreter, one can be provided with appropriate advance notice. If you need assistance, please call ahead at 293-SHOW. The Box Office staff will be happy to help you.

WVU Students

Special discounts apply for full-time WVU students. Students must order University Arts Series subscriptions in person at the Mountainlair Box Office and have a valid Mountaineer Card to receive a discount. Call the Box Office at 293-SHOW for more information.

Become a Friend of the University Arts Series

Friends of the University Arts Series help make great performances possible. In a time of increased costs and limited resources, delivering quality performances is more and more challenging for arts presenters across the country. We are no different. Ticket sales provide only a portion of the University Arts Series total operating budget. With your financial support we can continue to make great performances available to you.
